

Boy Scouts of America

A Scout is Reverent

Dear Church Leader:

God & Country... For 100 years, the Boy Scouts of America has been shaping the lives of youth in our community by teaching them to be citizens of good character and have a belief in a higher power.

On February 7, 2010 join us in celebrating the BSA's annual Scout Sunday. During this special time, Simon Kenton Council asks that your Church consider connecting with Scouting in your area and participate in Scout Sunday in the following ways:

- Invite a Scout unit to present the flags at the beginning of the service
- Have Scouts deliver prayers throughout the service
- Announce that the collection will be donated to the local Scouting program
- Hold a special collection in honor of Scouting's 100th Anniversary
- Present religious awards earned by Scouts in your Church's units
- Invite the Scout unit to set up an Alumni Connection table at the entrance of the sanctuary to help adults reconnect with Scouting during our 100th Anniversary
- Publish information on Scouting's 100th Anniversary in your Church bulletin or program (100th Anniversary inserts available - email jkoma@skcbsa.org)

If your Church does not currently Charter a Scout unit and would like information on bringing Scouting to your Church on Scout Sunday and throughout the year, contact Simon Kenton Council at 800-433-4051.
